My Request Tab

After you click submit on the request form, the screen will refresh to the *My Request* Tab.

The screenshot shows the 'My Request Tab' interface. At the top, there are navigation tabs: 'Work Request', 'Schedule Request', 'My Requests' (selected), 'My Settings', and 'Help'. Below the tabs, there are links for 'My Work Requests' and 'My Schedule Requests'. The main heading is 'My Work Requests'. A note states: 'Note: Once the request is assigned to someone for approval, you no longer can edit the request. You can click on the current assigned person name to send email and request changes on your request.' To the right, under 'Request Totals', it shows '14 Complete'. There is a search bar with a 'GO' button and a 'Show All' link. Below the search bar, it says '1 - 10 of total 71 listed' and has 'Previous 10' and 'Next 10' navigation options. A table displays the following data:

Status	Location	Action Taken	Complete Date
Complete	Maintenance Facility	No Action Note	11/19/2004
General Maintenance	3171 Please move box and roll of blueprints to war room. Get key from Frank or Jill. It may take 2 people to carry these.	11/18/2004	

On this screen you will see up-to-date information on your request including:

- Status
- work order number for referencing
- The date you requested the work
- Any Action Taken notes added by the technician on the progress
- And a Completion Date once the work has been completed

TIPS:

- A. In the Request Totals section (on the right hand side of the above screen), you can click on the number next to the status description to see all request marked with that status.
- B. You can search for any work order request by typing in a key word in the **Search** box and clicking on **GO**. This will pull up any of your requests with that word in it. (ex: keys would pull up any request dealing with keys).
- C. Click on the **Work Request** Tab to input a new request.
